## QMWA Alumni Spring Lunch and Reunion

Saturday 27 March 2010

You are warmly invited to join us at our annual Alumni Spring Lunch and Reunion

The programme will commence with an optional morning walking tour entitled 'Bow: A story of Vitality, Vision and Hope.' Join Blue Badge Guide, Reginald Denny, for a leisurely walk covering themes such as poverty, philanthropy, women's rights and a look to the future. A general social history of the area will be given, pointing out a famous factory, church and railway. You will see buildings associated with a great foreign national leader and a world famous author.

Please meet at 10am sharp for departure at 10.15am outside Bow Road tube station (District and Hammersmith and City lines), just one stop from Mile End. The walking tour will run for no more than two hours, finishing at Three Mills Lane, close to Bromley-by-Bow tube station. Following the walk, guests will make their own way up to campus which is a short bus/tube ride away. Please note that a limited number of places are available and will be offered on a first come, first served basis.

A three-course lunch will be served in the Octagon on our Mile End campus. Arrival is at 12.30pm for 1pm. Tables can be booked in advance for groups wishing to sit together.

Following lunch, a music recital will be given by members of the College Music Society Choir. We are also delighted to welcome Jane Robinson, author of the recently published *Bluestockings: The Remarkable Story of the First Women to Fight for an Education* (2009, Penguin) who will give a talk about her research. Following this, there will be a special preview of the online Westfield College Archives Exhibition *The Student Experience*, which is being curated by the College Archivist, as well as the opportunity to take behind-the-scenes tours of the College Archives which are housed in the Library. Afternoon tea will be served in The Curve which is located within the Westfield Student Village on campus.
