Alongside our pursuit of academic excellence, Queen Mary has maintained a proud tradition of providing education of the finest quality to students from a wide variety of backgrounds. You will therefore find that you are joining a diverse and dynamic university community, with the many different backgrounds and nationalities of our staff and students greatly enriching everyday life here.

Staff across the university are here to help you achieve your goals and ambitions. Please do not hesitate to draw on that support whenever you need it. I would also encourage you all to make the most of the opportunities that will be open to you while you are studying with us. On behalf of the Queen Mary community, I wish you every success during your time with us.

With best wishes,
Colin

Professor Colin Bailey
President and Principal, QMUL
Congratulations and welcome to Queen Mary!

As a QMUL student, you’re automatically a member of the Students’ Union, and we cannot wait to welcome you to our Union family.

The Students’ Union is here to make sure everyone has something to enjoy. We strive to improve students’ lives and that starts right at the beginning – we put on a huge variety of events just for you. This year is our most diverse, most-packed and fun Freshers’ yet. We will be there with you every step of the way, with volunteers helping you to move in, pairing you with a buddy/mentor through our Buddy Scheme, and setting up this huge range of events just for you. We really do want you to remember the time you joined QMUL.

Your Students’ Union is more than just the social aspect (although that’s pretty important!). As your four Executive Officers, we have been elected to represent your voice and work alongside Student Council to improve students’ lives, fighting for the changes you want to see both in your university and nationally. If you have an idea, would like to become a rep or simply want to know more, please get in touch!

The Union supports over 250 societies and over 60 sports clubs, meaning that there is something for everyone (from Harry Potter fans to those daring enough for extreme snow sports!). We also offer rewarding volunteering opportunities, the chance to fundraise for phenomenal causes through Raise & Give, and the chance to broadcast, present or write for our Student Media outlets. We also run your on-campus gym QMotion, a multi-faith centre, and shops, cafes and venues where you can take a break, relax or grab something to eat if you’re feeling peckish.

Please get in touch with anything you need – no question is ever too big or small. You can come and find us in the Students’ Union Hub (Mile End) or the BLSA Building (Whitechapel). We’re always happy to see you!

Visit us on our website at www.qmsu.org – we can’t wait to meet you!

Get involved

There are lots of different ways that you can get involved at Queen Mary. You can join one (or more!) of the many clubs, societies and sports teams on offer from Queen Mary Students’ Union (QMSU) – and if you don’t find one you want to join, you can create your own!

QMSU also run a great volunteer programme – our students volunteer for a range of great causes, such as Teddy Bear Hospital, Read Book Project and Student Action for Refugees (STAR). Many students also volunteer with organisations in our local community – from gardening to cleaning up Regent’s Canal, to working with children in local schools and community arts centres. Not only is it a great way to boost your CV, but it also feels great to be part of something really special.

There’s also the chance to have a real influence on QMUL itself by running in QMSU’s various elections – you could become a course or faculty representative, a halls representative, an officer focusing on themes such as societies, sport, student media, multiculturalism and LGBT. You could even become a sabbatical officer and have a hand in running QMSU!

Whatever you want to do – there’s plenty for you to choose from at QMUL. www.qmsu.org/getinvolved

Your voice
There are a number of ways in which you can make your voice heard, express your views and make real changes – not only in your time here, but also for the students who will study here after you.

See how you can share your thoughts at www.my.qmul.ac.uk/your-voice

Getting around

www.my.qmul.ac.uk/campus-and-city/explore-london/getting-around

The easiest way to get to and from QMUL is to walk or use public transport. You can find maps for all our campuses in this guide and on the QMUL app (search for ‘QMUL’ in your app store).

Underground
Our Mile End campus is located between Mile End station (Central, District, Hammersmith and City lines) and Stepney Green station (District, Hammersmith and City lines). Both stations are in London Underground Zone 2.

Our Whitechapel campus is right behind the Royal London Hospital on Whitechapel Road, directly across from Whitechapel Underground station (Hammersmith and City, District and Overground lines).

Based in the City of London, close to the Barbican, our Charterhouse Square campus is five minutes’ walk from St Bartholomew’s Hospital. The nearest Underground station is Barbican (Hammersmith and City, Metropolitan and Circle lines). Farringdon is also not far away.

The West Smithfield campus, which includes St Bartholomew’s hospital (Barts) and the West Smithfield Medical Library, is home to some of our cardiovascular, cancer, epidemiology and public health research facilities. www.qmul.ac.uk/about/howtofindus/westsmithfield

Buses
All of our campuses are well served by London bus routes. To plan your journey, visit: tfl.gov.uk

Docklands Light Railway (DLR)
The nearest DLR station to QMUL is Bow Church.

Travelcards and Oystercards
The most cost-effective and convenient way to pay for public transport in London (buses, trains, Tube, boats, trams, and DLR) is to get an Oyster card. As a student at QMUL, you are eligible for an 18+ Student Photocard which gives you 30 per cent off the price of adult-rate Travelcards and Bus and Tram Passes. www.tfl.gov.uk/oyster

Walking
To avoid rush hour congestion on the roads and public transport, many Londoners prefer to walk. Please be aware of busy roads and bike lanes when walking around, and make sure to use pedestrian crossings as much as possible.
Cycling
Cycling can be an affordable and efficient way to travel around the city, but please be aware that London’s roads can be very busy. Find out more about bike safety and security before you ride: www.security.qmul.ac.uk/bikesecurity

Cars
Traffic is heavy and parking difficult, making driving in London an unattractive option. There are no parking places for students on campus, with the exception of students displaying an authorised blue disabled sticker (who have applied for and received a QMUL parking permit). Contact the Disability and Dyslexia Service for advice on +44 (0)20 7882 2756.

Taxis
Black cabs use a meter to calculate your fare and you can hail one in the street. They are safe to use, but can be expensive. Mini-cabs are normal cars and charge a fixed price. Only use pre-booked registered mini-cab firms.

Trains
London is very well-served by train stations, all within easy reach of our campuses. The closest is Stratford, just one stop from Mile End on the Underground (Central line). Liverpool Street is two stops away from Mile End on the Central line and offers a shuttle service to Stansted Airport, as well as other destinations. King’s Cross and St Pancras (for Eurostar services to mainland Europe) are both a short journey from Mile End and Whitechapel on the Underground. London Bridge and Fenchurch Street are also close by.

Stratford transport hub
Our close proximity to Stratford means you have excellent rail, Tube and bus links to London and the rest of the country. Stratford International has high-speed bullet train links to the rest of south-east England: you can reach Kent’s Ebbsfleet International, for example, in 10 minutes. A new £14.8 billion Crossrail project will open in 2018 to connect stations at Stratford and Whitechapel to Brentwood and Bexley in the east, and Heathrow and Reading in the west.

Student travel in London
For more information about discounted travel, safety information, and how to use the travel planning tools on the Transport for London website, visit: www.tfl.gov.uk/campaign/student-guide-to-travel-in-london

Our home in the east
QMUL’s main campuses are based in the East End of London, which is home to fashionable clubs, cafés, markets, theatres, galleries and parks. Read about some of the local attractions at: www.my.qmul.ac.uk/campus-and-city/our-home-in-the-east

You can also join a walking tour during Welcome Week to find out more about the local area - take a look at the events listing for more information.
Visitors who require further information or assistance should please go to the main reception in the Queens’ Building.
