Supporting our students

Thank you to those of you who have kindly supported the Malcolm Jenkins and John Richards Travelling Scholarship Fund, the Barts and The London Alumni Association Benevolent Fund and the Barts and The London Annual Fund. Your gifts help our students to excel in their field of study.

Your generosity has enabled us to support dental students with the cost of textbooks, anatomical models, accommodation and travel fares. Some of these students have no other means of financial assistance and we need your help to ensure that no student abandons their studies due to financial hardship.

Emma’s story:
“Before receiving the hardship funding I was worried and shocked about how I was going to make ends meet. This added pressure was affecting my work in my final year of dentistry. With this grant I am able to eat properly and not worry about money. I would like to thank all those who have helped me receive my hardship bursary. I can’t articulate enough how much this has helped me and my mum who was panicking trying to find ways to help me receive my hardship bursary. I would like to thank all those who have helped me receive my hardship bursary.
