When can I arrive in the UK?
If you are coming for the full academic year programme (six months+) then you can arrive one month before your course start date, which is shown on your CAS. If you are studying for a semester on a Tier 4 visa, then you can arrive up to seven days prior to the start date.

Students coming on a Short Term Student Visitor Visa are granted six months of leave to enter the UK. You will need to ensure that you do not out stay this term.

What should I do if I want to travel outside of the UK?
You can find full information on our Advice and Counselling website. If you would like to speak to someone about this then please do drop into the Advice and Counselling Service who can advise.

Do I need to register with the Police?
Depending on your nationality and the length of time you will be staying in the UK, you may be required to register with the police, as a condition of your immigration permission. If you are unsure if you need to do this visit www.welfare.qmul.ac.uk/international/immigration/police-registration

For International Students Only
If you are a member of a European Union Member State, this section does NOT apply to you.

To study at Queen Mary University of London you will need to ensure you hold a valid visa which allows you to study on your programme.

Where can I find information on visas? QMUL Advice and Counselling Service have extensive visa advice on their website www.welfare.qmul.ac.uk and a comprehensive booklet available online ‘What immigration permission do I need to study at Queen Mary?’ If you are still unsure about which type of visa you require or have any questions please do contact us.

You should ensure you have the relevant documents with you to be checked at Immigration when you arrive in the UK. Your visa will be checked when you enrol at QMUL. You will only be able to commence studies if you have the correct visa.

Please do be aware that visa and immigration advice updates and changes frequently. Please do ensure you check the Advice and Counselling webpages as a primary source for the most up-to-date visa guidance.
I need to get a Biometric residence permit (BRP). How do I do this?
International Students who will be studying for more than six months will need to obtain a Biometric residence permit (BRP). Students are required to collect their BRP within ten days of arriving in the UK. You should collect this from the local post office. Students who select QMUL’s postcode in their immigration application will have their BRP sent to the post office in Whitechapel (208A-210 Whitechapel Road, Whitechapel, London, E1 1BJ).

Who should I contact if I have visa questions?
You can contact the Global Opportunities Office prior to arrival at QMUL and we can refer you to our Advice and Counselling service if appropriate. Once you are on campus, if you have any visa queries, please make an appointment with the Advice and Counselling Service (Location 27 on the campus map).

IMPORTANT: ENTERING THE UK VIA IRELAND
The common travel area is made up of the UK, Republic of Ireland, the Isle of Man & the Channel Islands. There are problems for students entering the UK via the Republic of Ireland because there are different immigration rules which apply to people entering the UK from another part of the Common Travel Area – some students may encounter problems. If you are travelling via the Republic of Ireland, you should check to see if you need immigration permission to travel to Ireland. The immigration rules for the Republic of Ireland are different to those of the UK. For more information see www.dfa.ie

*This guidance was accurate as of July 2017, please ensure you are up to date with the most recent visa advice by viewing our website www.welfare.qmul.ac.uk/international/immigration

Students staying in QMUL Housing

When can I move in?
Your licence agreement will show the date you can move into the halls. You can collect keys, and move your belongings into the room, on this day or any day after this date.

Collecting your keys
If you have applied for and been allocated a place in university housing on campus, you will collect your keys when you arrive at QMUL. You must have signed your licence agreement (online) and have paid your deposit in order to collect your keys. Instructions for key collection can be found at: www.residences.qmul.ac.uk/college/arrival

When are my residential fees due?
Your licence agreement is your residential fee confirmation. You will also receive an invoice for the full period of the licence agreement, reminders and statements to your QMUL email address; it is essential that you regularly check this account. Residential fees should be paid each term in full on, or within 14 days from, the commencement date of each period stated on the licence.

Your deposit is due by the deadline date on your online accommodation offer.

Students finding private accommodation

Finding Private Accommodation in London
We would not advise arranging long-term rented accommodation from home. We recommend that you wait until you arrive in London and book some short term accommodation for your first few weeks either in a hotel, hostel or guest house. Housing in London is plentiful and it is possible to find accommodation very quickly. We will provide information on sessions run by the Housing Office for assistance finding private accommodation during the Welcome Programme and in your Countdown Newsletters.

Our Housing Office have a Private Accommodation Guide online and can advise you on finding private accommodation: www.residences.qmul.ac.uk/documents/21484.pdf

Council Tax
Council Tax is a British property tax that is paid to the local council for local servicing including rubbish collection, the police and fire service. If you are coming to QMUL for the full academic year, you will automatically be exempt from this tax.

Those living in student accommodation are not required to pay Council Tax. For more information see www.cityoflondon.gov.uk/services/council-tax
I am staying for less than 24 weeks. How do I become exempt from paying Council Tax?

If you’re staying less than 24 weeks you will need to provide the council with a letter from your home University along with a Council Tax Exemption Certificate from QMUL in order to be exempt from paying the tax.

Please note that you will not be able to obtain these letters until you have a permanent address in London. However, the Council will not need these letters until you have found accommodation, so there is no need to be concerned.

If you have any questions please contact erasmus@qmul.ac.uk
We know it can be difficult to know what to pack, especially when you are moving to a new country! We hope that this section can give you some useful advice.

**Clothing**
Students in the UK mostly dress informally – jeans, t-shirts, jumpers are essentials! How different you find the weather here depends on what you are used to. We have a temperate climate which means it isn’t usually too hot or too cold, always be prepared for a rain shower!

Make sure you have a variety of clothes including; a warm jumper, jacket, waterproof coat and suitable footwear for rain. Don’t worry, it can also be sunny in the summer, so if you are here for the spring semester you should get a chance to wear your shorts and flip flops!

**Electricals**
You should ensure that your electrical appliances (laptops, hairdryers, shavers etc.) are compatible with the UK voltage system: 230V. Adaptors are cheap and easy to find in travel shops, airports and supermarkets.

**Can I bring food from home?**
We don’t advise that you bring food into the UK. There are many food items which are illegal to bring into the UK. London has many international food stores and restaurants so you should be able to find a lot of your favourites from home.

**Sending and Storing Luggage**
We cannot store your luggage at any point, however there are lots of local storage centres in London. You can find these online, or contact us if you would like further information.

**Housing Equipment**
If you are staying in QMUL accommodation you can order housing packs in advance of arriving if you wish. For more information see: [www.eshop.qmul.ac.uk](http://www.eshop.qmul.ac.uk)

You can also purchase bedding and kitchen utensils cheaply in supermarkets when you arrive.

---

**WHAT TO BRING**

In the UK and London you will experience all of the four seasons. If you study for a full year you will see varied weather including sunshine, autumnal colours, rain and even some snow!

How much money should I bring?
Try not to bring large amounts of cash as this can easily be misplaced. Try and bring enough to last the first couple of weeks and then use either travellers’ cheques or cash cards.

Can I bring my mobile phone?
You should check any additional charges that would be added if using your phone in the UK. You can easily purchase a UK SIM card when you arrive in the UK and Wi-Fi is readily available, including at the airport, so you should be able to send a message or email to let home know you have arrived.

Top Tip:
Try not to over-pack.
You can buy most things you could want in the UK.
Don’t bring more than you can carry.

Tip:
You might want to bring some photos or posters to decorate your room and make you feel at home. You will also be able to buy posters and decorations easily in London!

Can I arrive early?
On campus accommodation will only be available to move into from Saturday 16th September. If you wish to arrive earlier you may contact us on study-abroad@qmul.ac.uk and we can advise on local hotels and hostels.

What if I arrive late, after Sunday 17 September?
If you think you are going to arrive late, please let us know so that we can advise the Housing Office. It is important that you attend all the Global Opportunities Welcome Programme on Monday 18th and Tuesday 19th September. If you are unable to attend you must inform us in the Global Opportunities Office. See more information on the Welcome Programme on page 15.

Can I leave campus before the end of term?
You should not make any plans to leave campus before the end of term, unless you have checked with your academic department that you have no classes to attend at the end of autumn semester for autumn semester only students and that you have no exams at the end of spring semester if you are a full year student. Students are required to stay on campus until assessments for all modules have been completed. You should wait until exam timetables are published, usually end of March, to make plans to return home or travel.

If you are here for autumn semester only, then you may plan to return home after 15th December - or earlier if you have no classes or assessments. If you wish to stay longer than the 15th December, please speak to the Housing Office so they can advise on check out date from your accommodation.

Can I stay on campus over the vacation period?
Yes, you can stay on campus in your accommodation over the vacation period. Please check with the Housing Office for check out dates.
To make your travel to QMUL as easy as possible, we offer a free Airport Collection Service from Heathrow Airport. If you are arriving outside of airport collection times, then QMUL is easily accessible from Heathrow.

**Airport Collection Service**
There will be a free bus service for Study Abroad and Erasmus+ students from Heathrow Airport to QMUL Campus on Saturday 16th and Sunday 17th September. Staff will be at Terminal 3, usually from 6am-10pm on both days. We will confirm times when booking for the service opens.

You must book onto the service in advance. We will send out information on how to book via email in our Countdown Newsletter in August.

**Can my family travel with me?**
Priority on the service is given to students, your family are welcome to use the coach if there is space, but this isn’t guaranteed.

**I’m arriving at a different UK airport – what should I do?**
We recommend that students arrive at Heathrow Airport so that you can take advantage of our Collection Service. However, if you do choose to arrive at a different airport, you should be able to arrange onward travel to QMUL Campus. You can find directions online: [www.qmul.ac.uk/about/howtofindus](http://www.qmul.ac.uk/about/howtofindus)

**What should I do if my flight is delayed?**
If you have booked onto our Airport Collection Service and your flight is delayed do let us know as soon as you are able and we can arrange for you to be put on a later bus – if one is available. We will aim to keep track of any late arrivals.

You can find directions online: [www.qmul.ac.uk/about/howtofindus](http://www.qmul.ac.uk/about/howtofindus)

Housing and QMSU run events throughout the year! Don’t forget to check their websites and keep your eyes peeled for posters.

Your academic schools may also have induction events and social activities!
QMUL email address
Prior to arrival in London, you will be assigned a QMUL email address. It is essential that this account is checked frequently as we will use this as your correspondence address for all important news, reminders, deadlines and academic information.

Registering for modules
You should have already registered for your modules prior to arriving at QMUL. If you have not done so then you should notify us as soon as possible.

Most students will be taking 60 credits per semester, which is usually four 15-credit modules. Some students on different programmes may be studying fewer modules/credits.

If you would like to choose to take more than 60 credits (overload) or less (underload) then you will need to obtain written confirmation from your home institution and consult with the Global Opportunities Office.

A full list of modules can be found online: www.qmul.ac.uk/modules

Confirming your modules
At the Welcome Programme presentations you will be given a ‘Module Registration Form’. This form can be used to make any changes to your modules, but must be completed even if you are not making any changes.

You must submit this form to the Global Opportunities Office by Friday 6 October.

I’ve changed my mind about my modules, what can I do?
We have a two week add/drop period at the start of term. During this time you may make changes to your schedules, however please be aware that some modules may not have space by this time.

You will be provided with full details of how to add/drop modules during the Welcome Programme presentations.
Grades
Assessments are normally marked on a percentage scale (0-100%) and assigned a corresponding letter grade.

A – 70-100%
B – 60-69%
C – 50-59%
D – 45-59%
E – 40-44%

Further grade information can be obtained from your academic department.

How will my credits and grades be transferred back?
Overseas institutions normally award credit for study at QMUL on the basis of four hours for each 15 credit module; 60 credits equal 16 credit hours. It is your responsibility to check whether your home institution follows a different policy.

To obtain credit for a module you must complete all coursework and assessments required by the module organiser and fulfil all academic requirement for the module. Examinations and assessments will not be rescheduled except under extenuating circumstances.

Academic Support
You may find that your academic study and teaching is different in the UK to what you are used to at home. We have a vast range of support for students who have academic queries, or just want to speak to someone about their Schools or studies. We have dedicated Study Abroad and Erasmus+ Coordinators in each academic school who are there to help you with your questions. Each coordinator has office hours during which time you can visit them and their emails are published online so you can contact them anytime.

You can find their contact details on page 47-49.

Our academic schools also provide their own briefings and guidance for Study Abroad and Erasmus+ students so please ensure you attend any sessions and read documents given to you.

The Language Centre at QMUL offers workshops and modules which you can take during your studies to help with written work and study skills. www.language-centre.sllf.qmul.ac.uk/home

PASS Mentoring
PASS is a course-based mentoring scheme, run for students by students. It gives you the opportunity to discuss study-related problems and get general advice from higher-year undergraduates in their subject. You can find out more about the scheme from your academic
You may find that studying in the UK is quite different to your home University.

Don’t worry, we are here to help so do contact us or speak to your School Coordinator if you have any questions at all!

How can I arrange to see my lecturers? If you need to meet with your lecturer or an academic member of staff you should check their office hours which will be listed on the website for the academic school. You may also wish to email them to arrange an appointment. In the UK, it is rare for academic staff to be available to meet at any time and often they have back to back lectures meaning they cannot meet directly after a class. It is always best to arrange a time with them to meet to ensure they can adequately address your enquiry.
COMMUNICATIONS

We know how important it is to get up and running with internet as soon as possible. Don’t worry, we explain how in this section.

How can I get access to the internet when I first arrive?
If you have enrolled online before you arrive at QMUL, you will be able to use your QMUL username, password and email account on any networked computer in the University.

Can I get internet access in my room?
Yes, if you are living on campus you will be able to access WiFi. As soon as you complete your Pre-Enrolment at the University, your access is automatically activated.

Email
You will be given a QMUL email address prior to arrival at QMUL. University staff will use this email as the main way of communicating with you.

If you have personal email you can use this as well, but will need to ensure you check your QMUL email regularly. If you need to use special programs (for example, Chinese characters), then you may have to use your own computer with software that makes this possible.

Help and Support
For help and support accessing internet or using computer equipment on campus, please contact the IT Helpdesk:
Call us 24/7: +44 (0)20 7882 8888
Visit us: Queens’ Building, Room W209, Mile End
Office hours: 9am-4pm Mon-Fri
email: helpdesk@qmul.ac.uk

Mobile Phones
You should check any additional charges that would be added if using your phone in the UK. You can easily purchase a UK SIM card when you arrive in the UK and WiFi is readily available, including at the airport, so you should be able to send a message or email to let home know you have arrived.

To use a UK SIM card you will probably need to ‘unlock’ your phone and you can then use a pay-as-you-go card. Alternatively you could consider taking out a contract, but be aware that most contracts commit you to a 24 month contract.

How do I set up internet in private accommodation?
If you are renting private accommodation and do not have internet included, you will need to set up broadband in your home to obtain WiFi. There are a number of UK Broadband providers, you can find a list here: www.broadbandchoices.co.uk/providers
Cheap ways to stay in touch
There are a number of ways that you can stay in touch with home relatively cheaply and conveniently in the UK. You can buy international calling cards to phone home, can use networked computers or WiFi in your housing to contact via email and Facetime. You can also download Skype and Watsap which allow you to make calls and send messages via WiFi.

Mail
If you wish to send mail home you can buy stamps from most local shops and post offices. You should ensure that you have the correct stamp type for what you are sending and where it needs to go. If you are unsure, or are sending heavier items then you should go to a local post office. The nearest post office to QMUL is in Whitechapel about a fifteen minute walk from campus.

If you wish to receive mail on campus this will be delivered to your pigeon holes in the entry to your flats. If you are expecting a larger parcel then you will need to ensure you are in to collect the parcel as the Residence’s Office cannot sign for or store parcels and deliveries.
ENROLMENT AND FEES

You need to complete enrolment on campus in order to be a student of QMUL. Here is a list of what you need to ensure you do:

1. Complete pre-enrolment before you arrive on campus
   You will be sent an email before you arrive at QMUL prompting you to complete pre-enrolment online. You will need to log into your MySIS account to do this. If you are unsure of your log in, please contact us.

2. Enrol in person when you arrive
   After you complete pre-enrolment you will be provided with an online booking facility where you will be able to pick your own enrolment slot. It is recommended that you enrol during the weekend you arrive 16-17 September. This way you will miss the queues which will occur later in the week. Enrolment will take place in the Octagon, 19a on your campus map.

   You will also have the option to attend early enrolment on 15 September 9am-5pm or go to enrol on 19 September from 12-12.30pm.

   Enrolment is in the Octagon, Queens’ Building.

3. What do I need to bring to enrolment?
   You need to bring the following with you:
   • Passport or National ID (EU Students) as proof of identity
   • Proof that your tuition fees have been paid (If you are coming through a programme e.g. Arcadia/Butler/IES or are an International Exchange or Erasmus+ student then you do not need this proof)

4. How do I pay my fees before enrolling?
   QMUL will send you an invoice in August, which will represent the charge for the semester/academic you are enrolled on. You are then responsible for arranging payment of these fees. For full details on how to pay please view the following weblink: www.qmul.ac.uk/undergraduate/feesandfunding/payment/

   If you have any questions, please contact our fees office on fees@qmul.ac.uk
Please note, if you are not responsible for paying your fees (e.g. your home university pays the fees on your behalf or you are an exchange student) then you will not receive this invoice.

5. I can’t attend enrolment, what should I do?
The last date you can enrol is Friday 6 October 2017. Please contact us if you need to attend late enrolment.
LIVING IN LONDON

QMUL is situated in the heart of east London, an area with a rich history which is now one of the City’s most vibrant and cosmopolitan areas. The East offers contrasts unlike any other area of London, from the bustle of street markets to peaceful walks along Regent’s Canal and through Victoria Park, traditional pubs, museums, start-ups and art galleries. Despite being one of London’s oldest areas it also contains the ultra-modern Docklands developments which boasts some of Europe’s most exciting architecture.

Transport and Travel

The Underground

The Underground is the most famous, and often the most convenient, mode of transport in London. It can seem daunting at first, but you will quickly master navigating the tube map! Don’t forget to check the direction of travel. You can find a handy tube map in this brochure!

The Night Tube has now launched in London as well, meaning you can use the Underground 24 hours on some lines!

Use the TFL website for all underground information: www.tfl.gov.uk

Oyster Cards

Oyster is a plastic smartcard which can hold pay as you go credit, Travelcards and Bus & Tram Passes. You can use an Oyster card to travel on bus, Tube, tram, DLR, London Overground, TfL Rail, Emirates Air Line, River Bus services and most National Rail services in London.

We will tell you more about how to obtain an Oyster card and Student Oyster cards at the Orientation Sessions.

Buses

Another great way to get around London is on the bus. The local area is serviced by a number of bus routes, the number 25 and 205 stop right outside campus.
You can explore the East End of London using our Audio Walking Tour

www.qmul.ac.uk/studentlife/social/london/audiotour/index

Trains
If you are planning on travelling outside of London the train is a good option. You can use the National Rail website to plan journeys and can get tickets either at stations or on www.thetrainline.com

Walking
This is the best way to discover London if you are not in a hurry. Maps can be found online at www.tfl.gov.uk/walking

Bicycles
QMUL is serviced by the new Cycle Highway which operates in London. You can also rent Santander Cycles (formally known as Boris Bikes after the former Mayor of London) which you will see dotted around the city. Find out about the scheme here: www.tfl.gov.uk/modes/cycling/santander-cycles

Taxis
Taxis in London can quite often be expensive, especially if you use a ‘black cab’. The traditional ‘black cabs’ are operated by experienced London cab drivers who have to know all areas of London. If you do choose to use any type of taxi please ensure they are licenced. London is also serviced by Uber, but you should ensure you consider your safety when using Uber cars as drivers are not required to follow the same standards as other licenced cab drivers. Most Londoners choose to use the tube or bus over a cab as there is 24 hour transport available in most parts of the City!

Useful Apps
Google Maps and Citymapper are great to use to plan your journeys. You can get these online or as apps on your smartphone.

Airports
There are a number of airports in and around London:
- Gatwick Airport
- Heathrow Airport
- Stanstead Airport
- City Airport
- Luton Airport
- London Southend Airport

Find out more about London airports here: www.visitlondon.com/traveller-information/travel-to-london/airport

Find out about a 16-25 railcard if you think you will use the train a lot: www.16-25railcard.co.uk
Planning to travel to Europe during the university vacations?
If you want to travel to certain countries in the European Economic Area you may need to apply for a Schengen visa. The Advice and Counselling Service can advise on this and will also brief you on this at the Welcome Programme Orientation. For more information about Schengen see www.welfare.qmul.ac.uk/international/immigration/travelling-europe

**How do I transfer money to the UK?**
The easiest way to send money from your home country into a UK bank account is by electronic transfer. To do this the bank in your home country will need:

- Your UK bank’s name and full address
- Your name as given on your UK bank account
- Your UK bank account number
- Your UK bank sort code

Money can also be transferred using a banker’s draft. This is a document drawn up by the bank in your home country and sent to you by post. You present the banker’s draft to your bank in the UK. Before you transfer money ask what charges will be made by the bank and how long it will take. Make sure that you keep copies of all documents.

### Banks and Opening a Bank Account
There are several banks very close to campus:

- Santander – located on campus in the Student Village ([www.santander.co.uk](http://www.santander.co.uk))
- Barclays – located at 240 Whitechapel Road, E1 1BS ([www.barclays.co.uk](http://www.barclays.co.uk))
- HSBC – located at 75 Whitechapel Road, E1 1DU ([www.hsbc.co.uk](http://www.hsbc.co.uk))
- NatWest – located at 331-335 Whitechapel Road, E1 1AU ([www.natwest.com](http://www.natwest.com))

We cannot recommend specific banks, but it is useful to choose one which is easily accessible.

**How do I open a bank account?**
You should view our information on opening a bank account online as a guide: [www.welfare.qmul.ac.uk/international/money/banking-uk](http://www.welfare.qmul.ac.uk/international/money/banking-uk)

You can request a bank letter when you attend enrolment. You need to know which bank you are going to apply to open an account with, so that the bank name can be included in the letter. You can only get a bank letter from QMUL once you have provided a UK term-time address. You can normally do this in MySIS, either when you pre-enrol, or if you don’t know your UK address at the pre-enrolment stage, you can go back into MySIS later, through the ‘My Details’ page, and update your UK term-time address. You must do this before enrolment.

With over 20,000 students and staff on its campuses in London, Queen Mary University of London is proud of its diverse multicultural population and is committed to encouraging religious understanding, freedom of speech and open social interaction.

There are many faith societies at QMUL, as well as an atheist society. You can find full details of the societies here: www.qmsu.org/societies

Where can I find others who share my religion?

You can join one of our faith societies; or if you want advice or your faith or religion does not have a society, then go along to the University Chaplaincy on-campus who can advise. The Chaplaincy welcomes individuals from all parts of the world regardless of their nationality or religion and is committed to encouraging discussion between students of different faiths and backgrounds.

Are there prayer-rooms on-campus?

The Multi-Faith Centre is situated in the Students’ Union Hub at the Mile End campus (number 34 on the Mile End Campus map). Its two large rooms and adjacent washing facilities are designed as places of prayer, worship and reflection and is shared by students and staff of all faiths and beliefs. **SOCIAL LIFE**

**Students’ Union**

The Union aims to improve your student experience by listening to your feedback and opinions, representing your views, and providing student-led activities and services.

**Student groups – Club Sport and Societies**
There are hundreds of student groups to get involved with that will help you make new friends, spark new interests, and gain new skills and experiences! With over 200 societies, 60 sports clubs and a variety of media outlets, there is something for everyone. Each of our societies provides a unique and exciting experience, offering a great opportunity to meet people with the same interests as you. Being part of a sports club is a great social experience and an excellent way to develop your sporting skills. Sports clubs compete in local, national and international competitions. You can also take your first steps towards a career in journalism by getting involved with student media. From radio to print, all of the student media outlets are inspiring and supportive places to get your voice heard. There are also a range of student groups you can get involved with to find like minded students! You can find out more online at www.qmsu.org

**Hey Buddy!**
Settling into a new country and university can be a daunting experience, but not when you’ve got a buddy! The Union Buddy Scheme matches current QMUL students, who have been on a study abroad programme with one of our partner institutions (mentors) with new Study Abroad Programme students (mentees) to ensure you get the most out of your time at QMUL. The Buddy Scheme gives new students a chance to meet other new students on the Study Abroad Programme, as well as get tips and advice about university life from experienced mentors. Erasmus+ students should speak with the Erasmus Student Network (ESN) about mentoring. You will be given more information on ESN during Welcome Week.

**Volunteering**
The Union supports the local community through volunteering, fundraising and sports programmes. Volunteers log thousands of hours in one-off and ongoing opportunities with charities and not-for-profit organisations. Volunteering groups, set up by students, deliver projects in the likes of local hospitals, schools and community centres.
Entertainment
The Union runs a lively events programme offering a range of activities including day trips, live music, club nights, spoken word and more. Some past favourites include gala balls, language lessons, graffiti painting and a floating cinema. The Union’s student groups also run a variety of events too, so there’s always something to do!

Time Out!
If you want to explore London and find out what events are on, then Time Out is a great guide! The free magazine is given out at most tube stations and you can also find it online: www.timeout.com/london
You may want to find some part-time work whilst studying. You must ensure that your visa allows you to work and what are the maximum number of hours you are allowed to do.

**Where can I find employment opportunities?**

QMSU and QMUL both offer casual employment to students. Our Careers and Enterprise Centre also list some local job listings and you can visit them for advice on finding work. You can find listings of job opportunities on the following websites:  
- [www.qmsu.org/jobs](http://www.qmsu.org/jobs)  
- [www.jobonline.thecareersgroup.co.uk/qmul/student/Vacancies.aspx](http://www.jobonline.thecareersgroup.co.uk/qmul/student/Vacancies.aspx)

**What types of work will I be able to get and how much do they pay?**

In the UK, levels of pay vary for different types of work. Generally students obtain part-time casual work paid at the minimum wage. Typically this includes working in a shop, as a campus tour guide, in a restaurant or bar or as a cleaner. There are three levels of minimum wage, depending on your age. For information on the National Minimum Wage visit:
