Women's Health TH Template Guide

Title	Women's Health TH CEG
Version	10
Date	March 2019

DOCUMENT MANAGEMENT REVISION HISTORY

Version	Date	Summary of Changes
1	August 2015	New template
2	April 2016	Cervical smear: added LMP and codes for abnormal bleeding symptoms. Added contraception status and advice, preconception for diabetes, preconception for epilepsy, anaesthetic codes. Spelling correction – condoms issued BMI calculator moved to after the weight in Oral Contraception Added * to LARC advice in Emergency Contraception Corrected ** in IUCD check Removed IUCD annual check Labelled IUD procedures done by practice more clearly
3	June 2016	Removed ** from implant check
4	July	Women's template: Mammography library visibility rule removed, text added to indicate eligibility for NHS Breast Screening Programme. This was done due to practices needing to record screening for women under 50yrs. This also affects the LD template.
5	July	Additions of codes for chaperone
6	June 2018	Moved consent and anaesthetic to IUCD and Implant pages. Updated chaperone codesets to standardise Moved condoms to main page Removed rubella Removed folic acid from oral contraception page Consent for smear removed from main page (as it is already in smear page) Added breast awareness to main page Added Safe sex education Added Sexual Health Screening page Use TH specific Lifestyle Page Edited info on cancer screening Added code on providing info re bowel cancer screening New 'Other contraception' page including vaginal rings, patches, advice on missed oral contraceptive Added Jaydess codes Removed IUCD/Mirena check diary entries, and IUCD 6 week check done Edited Valproate advice Edit Mammography page, now called Breast Screening

		Edit smear page: Deleted 'vault smear taken' as this is done in secondary care Add EMISQC10=cervical smear rejected by lab, taken before recall
7	Aug 2018	Updated FGM Library Item (see separate guide)
8	Sep 2018	Replaced Mirena section with IUS section Edited cancer awareness section, adding good practice guide Added Bowel cancer screening page
9	Dec 2018	Updated breast screening appointment telephone number
10	Mar 2019	Added * to LARC advice
