HOW TO REGISTER ON EPIGEUM FOR RESEARCH INTEGRITY TRAINING

1. Go to: https://courses.epigeum.com/register

2. Complete the registration form, inserting the token that you have been given, which is **009a8e45**. Please note this is restricted to QMUL email addresses.

3. Click on 'Register'

4. Check your inbox for an email from the Epigeum system. Click on the activation link therein.

5. You will then be able to access the programme(s) by logging into https://courses.epigeum.com/login using your chosen username and password.

6. Doctoral students should complete the 'Research Integrity: Core' module.
