Please join us to celebrate Pluto Press's publication of Katherine Connelly's book *Sylvia Pankhurst: Suffragette, Socialist and Scourge of Empire*. Katherine will be discussing and answering questions on her new book followed by a drinks reception and book signing.

This is an important book. Packed with new information, it is a fascinating and very readable biography which does much to explain my mother's political evolution from suffragette to anti-fascist.

PROFESSOR RICHARD PANKHURST

In this vivid biography Katherine Connelly examines Pankhurst's role at the forefront of significant developments in the history of radical politics. She guides us through Pankhurst's construction of a suffragette militancy which put working-class women at the heart of the struggle, her championing of the Bolshevik Revolution and her clandestine attempts to sabotage the actions of the British state, as well as her early identification of the dangers of Fascism.
