My Queen Mary

Don’t just take our word for it, find out what our students love about Queen Mary.

“So many opportunities have made my time at Queen Mary special. One of my most enjoyable experiences is being part of Queen Mary’s Netball Society, and I would advise anybody who is part of Queen Mary to join a society to make uni life truly memorable.”

Charlotte, LLB Law

“As somebody who has a passion for traveling, I can safely say Queen Mary is more than just a university – providing me with the chance to study in the U.S, expedition in Asia and analyse the politics of Europe, Queen Mary has not only been an endless source of global opportunities for me but also an anchor.”

Roberta, BA Politics

“London may seem daunting at first glance: it’s busy, rushed and something is always happening. However QM’s tight-knit campus, Harry Potter and Cheerleading societies makes the city feel more comfortable and homey. Whether you want to go for drinks at the Shard or roam Camden Market, you can return to campus to relax and regroup after a busy day.”

Shola, BA English

“Whenever I think of my year abroad in London, I struggle to put into words how much it meant to me, how much I learned, and how much I loved the entire experience. I could spend the morning in class, the afternoon in a rehearsal, and the evening sitting in a theatre on the West End, and to me, that was the perfect way to combine the academic world with what I enjoyed extracurricularly. I fell in love with London and part of that love is thanks to the opportunities granted to me at Queen Mary.”

Miriam, Study Abroad student, Scripps College, CA

“Queen Mary has a very special place in my heart. It has provided me with opportunities that few other universities could, it has allowed me to express myself both personally and academically and I’m incredibly optimistic about my future. Not only has it been my home for two years, but it has opened up a new world for me to explore, new people to meet and new things to learn, and for that reason I could not be more grateful.”

Rachel, Study Abroad student, Wesleyan University, MA

“The tutorial system here has been a great facilitator of balance while abroad. With every excursion, there are hours of school work getting done at a pace that satisfies my curiosity as well as my learning style. I feel as though I’m really taking ownership of my education. The resources are here at Queen Mary, you just have to be a self-starter and really grab onto them.”

Sharon, Study Abroad student, Hamilton College, NY.

A day in East London

Ask any twenty-something Londoner the best place to explore and live in London and chances are east London will be up there on the list! Queen Mary is situated in the heart of east London in one of the city’s most vibrant and cosmopolitan areas – our very own version of a hipster downtown location. Think what Brooklyn is to NYC or Downtown Philadelphia and you get the idea. The East offers contrasts unlike any other area of London, from the bustle of street markets to peaceful walks along Regent’s Canal and through Victoria Park, traditional pubs, museums, start-ups and art galleries. Studying at Queen Mary gives you a unique East End experience where you can enjoy authentic London life and get a true taste of life as a local.

**FIND A COFFEE SPOT**

Start the day with a walk along Regent’s Canal (right next to Queen Mary campus) and head towards Victoria Park for a coffee at Pavilion Café overlooking the water.

**HIT A MARKET**

Stroll along to Roman Road market (a 150 year old East End market) and admire the clothes, food and vintage finds. If vintage clothes and records are your thing, you could also visit Brick Lane Market. Don’t miss Beigel Bake and The Vintage Emporium whilst you’re there!

**GRAB SOME LUNCH**

East London is home to some of the best food from around the world, so there is something for every palate. Our recommendations include Dishoom, Andina, Lahpet and Pizza East.

**DINNER**

You can’t really go wrong in Shoreditch when it comes to grabbing a bite to eat for dinner; home to an array of the best curry restaurants in London and every food type you could want. There really is something for everyone!

**QUEEN OF HOXTON ROOF TOP GARDEN OR JUNKYARD GOLF**

Depending on how active you’re feeling at the end of the day you could take on a spot of Crazy Golf at Junkyard Golf near Brick Lane or head over to Hoxton for some well-earned rest at the Queen of Hoxton’s roof top garden.

**TIME TO HEAD BACK TO CAMPUS**

Now time for an easy journey back to campus. The quickest way to get back is jumping on the overground train at Shoreditch High Street station or you can get a bus, walk or get the tube to Mile End from Liverpool Street, which is just a short walk away. You will be back on campus in around 15-20 minutes.

**GET LOST IN A BOOKSHOP**

If you’re a bit of a book worm, or just love the idea of exploring an English book shop then Brick Lane Bookshop or Paper and Cup should be next on your list.

**BOUTIQUE TIME**

A visit to Shoreditch is not complete without a walk along Redchurch Street for a spot of shopping – even if it’s of the window variety. The 2 mile stretch is home to an array of independent boutique stores and cool eateries, from Labour and Wait (a gorgeous home-ware store) to Ceconis’s restaurant for North Italian delights.

**BOXPARK**

Boxpark is home to pop-up shops of the food, beauty and clothes variety as well as being home to various bar and food outlets. It is built from old shipping containers and calls itself “The World’s first Pop-up-Mall”.

**EXPLORE SOME STREET ART**

You can’t have a day exploring Shoreditch and not take some time out to look at the incredible street art. The colourful streets are great for photo opportunities!

**GRAB SOME LUNCH**

The Study Abroad Programme

Queen Mary has been welcoming study abroad students for over thirty years. Our established programme and team deliver excellence across all areas, ensuring first-rate student experience is at the forefront of our delivery. You choose if you want to study for a semester or full academic year and take advantage of all Queen Mary has to offer you!

Customise your study plan
Queen Mary offers a range of academic options across subject areas, with 950+ modules open to our study abroad students over the academic year. This means you can choose to study across four different disciplines, or immerse yourself in one subject area. We recognise the importance of being able to cross-register in different academic departments and we make this fully accessible to our students. All students are encouraged to take modules outside of their degree specialisations and many joint programmes run across the university. To make this possible, the course system used follows a flexible modular model. For the Study Abroad Programme this allows students the freedom to take modules from across the whole range of Queen Mary’s academic departments.

Undertake an internship
Queen Mary offers students the opportunity to undertake an internship as part of their Study Abroad programme with us. This allows students to take three Queen Mary modules and be placed in to an internship in lieu of studying a fourth module.

For more details, please email us on study-abroad@qmul.ac.uk.

Study on a fully integrated programme
Queen Mary offers a fully integrated Study Abroad Programme so you will be living and studying alongside students from the UK and countries all over the world. Our study abroad students are immersed in everyday British culture, yet have a truly international experience.

Pre-register for modules
Our study abroad students can select their module choices before starting the programme. Students will normally take four modules per semester, but can make up to eight choices when module registration opens. Registration usually opens in May for full-year and autumn semester students and October for spring semester students. We also allow students to add/drop modules when they arrive at Queen Mary during the first 2 weeks of term.

Access to an Academic Support Network
Queen Mary has Study Abroad Co-ordinators in every academic department who can advise you on module choices and requirements before you arrive and are an essential part of your support network during your studies.
