

The world goes to **Maryland.**

STUDYING AT THE University of Maryland, College Park

The University of Maryland is the state's flagship university and one of the world's top ranked public research institutions. UMD is home to 40,000 students, 14,000 faculty and staff, and 250 academic programs. Here on our campus, you'll find high-tech labs, world-class performing arts, a hugely popular athletics program, and school spirit that can't be beat.

WHY CHOOSE UMD?

LOCATION

Experience a traditional American college campus just 15 minutes from Washington D.C.

HOUSING

Undergraduate exchange students are guaranteed on-campus housing, and can opt-in to a dining plan.

SPORTS

Join the student section and cheer "Fear the Turtle" at UMD's many sporting events which are FREE for visiting students.

ACADEMICS

Enroll in coursework across our 90 majors and 250 academic programs

SUPPORT

You'll have access to support services and programming events specifically for exchange students to help you engage with U.S. culture

Dates & Deadlines

Fall Semester

Apply by: April 1st

Arrive: Late August

Depart: Late December

Spring Semester

Apply by: October 1st

Arrive: Late January

Depart: Mid May

A. James Clark School of Engineering

Maryland Engineering serves as the catalyst for high-quality research, innovation, and learning, delivering on a promise that all graduates will leave ready to impact the grand challenges of the 21st century. The Clark School welcomes innovators who seek collaborative, hands-on learning and offers them the resources to become engaged problem-solvers.

Facts & Figures

- One of the top public engineering programs in the country
- 4,100 undergraduate and 1,700 graduate students
- 206 faculty members
- UMD offers the only accredited undergraduate fire protection engineering program in the entire U.S.

Nine Undergraduate Majors

Enroll in coursework across our engineering disciplines!

- Aerospace Engineering
- Bioengineering
- Chemical Engineering
- Computer Engineering
- Civil Engineering
- Electrical Engineering
- Fire Protection Engineering
- Materials Science & Engineering
- Mechanical Engineering

Alumni Highlights

"Enjoy every moment of your exchange...take advantage of all the activities, clubs that the university offers."

-Aitana, Biomedical Engineering

"I chose UMD because it was one of the top universities in the US. It's location, close to DC, is perfect if you want to travel through the country."

-Juan, Computer Science Engineering

Unique Opportunities

Engineering Career Services

support for students interested in exploring career opportunities in the U.S.

Student Organizations

40+ student clubs and organizations focused specifically on engineering

E.A. Fernandez IDEA Lab

61K sq. ft. of project space, 5 stories, 20+ lab spaces!

Terrapin Works

213 Machines, 28,000 sq. ft. of lab space, & 17 locations across campus!
