UKITP Subsequent Informed Consent Agreement (tracked changes version)	1.5	08 November 2012
UKITP REC Approval Letter		02 January 2013

Barts Health NHS Trust can therefore continue to participate in the study and our files have been updated to reflect the changes. Please ensure that all updated patient documents contain appropriate logos, local information and contacts.

We wish you all the best with your research, and if you need any help or assistance during its course, please do not hesitate to contact the Office.

Yours sincerely

A handwritten signature in black ink, appearing to read 'G. Leonard', written in a cursive style.
