# Year 12
# Virtual Medicine and Dentistry Summer School

The virtual summer school will provide students with an insight into studying medicine or dentistry at Queen Mary University of London. Through a mixture of activities, webinars and Q&A/discussions, participants will explore the essentials to consider when applying.

Students will be expected to do some preparation work for some of the topics to ensure that they make the most of the content. During the summer school students will have the opportunity to engage with Queen Mary academics, staff, and current students, who will be on hand to share their experiences and answer questions.

## Dates

Medicine: **26, 27 and 29 July**
Dentistry: **26, 28 and 30 July**
Time: **1–5.30pm on each day**

The summer school will take place online using our virtual learning platform QMPlus.
