

Joint programmes and ineligible programme

BEng Materials Science and Engineering
BEng Polymer Materials Science and Engineering
BEng Materials Science and Engineering single
BSc(Intercalated) Experimental Pathology
BSc(Intercalated) Biomedical Engineering and Clinical Materials
BSc(Intercalated) Neuroscience
FdCert ISEFP (Mathematics)
FdCert ISEFP (Engineering)
FdCert ISEFP (Materials Science)
FdCert ISEFP (Electronic Engineering)
BSc Computer Science
MSci Computer Science
BSc Computer Science with Industrial Experience
BSc Computer Science with Year Abroad
MSci Computer Science with Year Abroad
BSc Computer Science and Mathematics
BSc Computer Science and Mathematics with Year Abroad
BSc Computer Science with Management (ITMB)
BSc Computer Science with Management (ITMB) Year Abroad
BSc Computer Science with Management (ITMB) Industrial Experience
BSc Computer Science and Mathematics with Industrial Experience
BSc Computer Science
BSc Computer Science and Mathematics
BSc Computer Science and Mathematics with Industrial Experience
BSc Computer Science and Mathematics with Year Abroad
BSc Computer Science with Industrial Experience
BSc Computer Science with Management (ITMB)
BSc Computer Science with Management (ITMB) Industrial Experience
BSc Computer Science with Management (ITMB) with Year Abroad
BSc Computer Science with Year Abroad
BSc Mathematics with Management
BSc Mathematics with Management with Professional Placement
BSc Mathematics with Management with Year Abroad
BSc Mathematics Statistics and Financial Economics with Year Abroad
BSc Mathematics Stats and Financial Economics
BSc Mathematics Stats and Financial Economics with Professional Placement
MSci Computer Science
MSci Computer Science with Year Abroad
