</table>
International students: Welcome Programme: A chance for International students to be welcomed and given important information.

Enrolment: This is where you get your student ID and important IT information etc

Welcome Fair: Walk round the campus and join the societies you like the sound of.

Systems Enrolment: A chance for you to get your log in details for the Informatics Teaching Laboratories – these are different to your college log in details.

Programme Talk: Be welcomed to your programme and get more information about your programme that will help you succeed during your studies.

Introductory Lab Sessions: An introductory programming session compulsory for all first years. It will be a chance for you to test out the software and complete some exercises.
