News

- The Protocol Paper has been published in BMC Psychiatry, and you can read it here: <https://doi.org/10.1186/s12888-019-2148-x>
- The second annual teaching week took place in London from the 24th – 28th June, which featured lots of valuable discussions and trainings.
- REDCap has been checked and finalised, and we are working to take it live any day now.
- Uganda has been busy completing 6-month follow ups at the control site.
- All three studies have now begun in Bosnia
- Peru has now received ethics and is due to start research activities shortly.
- The DIALOG+ and Family Involvement studies in Pakistan have now been registered on ISRCTN.
