

Top Tips for your arrival to Queen Mary Halls

Your safety and security is at the heart of everything we do

We've adapted our arrivals process to help reduce the spread of COVID-19:

- **Do not travel if you are feeling unwell or are displaying any symptoms of COVID-19**
- **Check UK Government advice on travelling to the UK by visiting: bit.ly/uktravelcorridor**
 - If you are required to self-isolate, we will make arrangements for you to do so in your allocated room.
- All new residents will be required to complete an '**Arrive Safe**' form at least 4 days prior to their arrival. This form will include information about self-isolation and be sent to all residents on **Thursday 03 September 2020**
- **You must obtain an arrival pass**
 - Your arrival pass will be available 14 days prior to the start of your residential licence agreement and can be accessed via your **residences account**.
- You and anyone travelling with you must **wear a mask** throughout the move-in process
- **Travel light:** We recommend bringing a maximum of two suitcases
- There is **limited parking available on campus**
 - If you are travelling by car, you will be given a 30-minute drop-off slot upon arrival
 - We recommend that you use alternative forms of transport wherever possible
- **You may only be accompanied by one person**
 - Anybody accompanying you will not be permitted to enter communal spaces such as kitchens or bathrooms, except in an emergency
- We advise that you **pre-order bedding and kitchen items before you arrive**
 - Visit our online shop at: bit.ly/qmresidenceseshop
- To limit the use of communal spaces, we advise that you **purchase a meal package for your first semester**
 - Visit: curve.qmul.ac.uk for more information

Working together to reduce the spread of COVID-19
