

Residential Services Under 18s Policy

Accommodating students under the age of 18

This Policy will apply to all students under 18 living in halls which are managed by Queen Mary University of London.

This policy does not apply to students who are under 18 when they apply but who become 18 before, they arrive at Queen Mary University of London. Places in halls are offered on the understanding that the student will be able to adapt to living away from home and to look after themselves in all practical matters.
