Welcome to SBCS! Did you know that the School of Biological and Chemical Sciences has an Equality, Diversity and Inclusion Committee?
WHO ARE WE?

The Equality, Diversity and Inclusion Committee (EDIC) at SBCS promotes workplace equality, diversity and inclusion to ensure that no one feels left out because of their gender, age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage and civil partnership, pregnancy and maternity, or other factors such as social background. We are continuously working on any issues raised by staff and we are also responsible for delivering on the SBCS Athena Swan Action Plan 2021-2024.

Full list of members is here. Contact us at sbcs-edic@qmul.ac.uk

SBCS EDI POLICIES/INITIATIVES RELEVANT TO ALL STAFF

- We always try to organise all meetings and seminars in core hours (i.e., 10AM – 4PM) and give 2-3 weeks notice for other events.
- At SBCS we are aiming for gender balance in our seminar series.
- To improve the workplace culture, we always invite all staff (incl. PDRAs) for the informal ‘coffee/tea and cookies’ after each of the SBCS School Meetings. Additionally, all departments are organising regular meetings, including informal (‘cake’) meet-ups. Invites are sent out via e-mail.
- The School often organises various events to celebrate EDI (see the calendar of events), we always encourage all SBCS staff and students to volunteer in organisation of such events.
- Workload allocation: London based staff can check their workload allocation on SWARM and email any SWARM related queries or updates to sbcs-swarm@qmul.ac.uk.
- Gender Diversity on Panels: At SBCS we are aiming for gender balance in decision making committees.
- PRONOUNS Matter: EDIC advises to all staff to include your pronoun in your e-mail signature (if you feel comfortable doing this). See Guidance and resources on Gender Identity.

IMPORTANT POLICIES/INITIATIVES FOR TEACHING STAFF

Professional Expectations of SBCS Staff in Relation to Teaching (QMplus)

- We remind all teaching staff about the Professional Expectations of SBCS Staff in Relation to Teaching which can be found on the SBCS Staff QMPlus page. “We expect staff to act in line with our Equality, Diversity & Inclusion agenda by promoting workplace inclusion to ensure that no one feels left out because of their age, disability, gender reassignment, race, religion or belief, sex, sexual orientation, marriage/civil partnership, pregnancy/maternity, or other factors such as social background. Staff should show fairness in their treatment of others and avoid behaviours such as, but not limited to, causing embarrassment, making offensive or discriminating jokes, insults or sarcasm.” (If you are responsible for PDRAs of PhD students who teach – please make sure they are aware of these expectations as well.)

Supporting D/deaf and Hearing Impaired students within an Online Learning Environment.

- Disability and Dyslexia Service (DDS) has produced the following document with input from the E-Learning Unit to provide in-depth information on how to support D/deaf, hearing & visually impaired students. It details a number of the challenges faced by these students when accessing live and pre-recorded sessions and provides general advice for producing online content which is accessible, as well as listing information on further services that DDS offer.

PRONOUNS Matter:

- EDIC advises for all staff to include your pronoun, on a ‘welcome’ slide on your first lecture (if you feel comfortable doing this). See Guidance and resources on Gender Identity.
