New Staff Survey

Thank you for taking the time to do this survey. In this survey, we are collecting information on application, interview, and induction processes in SBCS for people who began working in SBCS within the last two years.

This is short survey which should take you less than 10 minutes to complete. The purpose of collecting this data is two-fold:
1) to gather data for our Athena Swan application in November 2019, and
2) to use that data make changes within the School in order to improve equality, diversity, and inclusion at all stages of the hiring and induction processes.
