¹ All prices are per sample, and per hour where noted.
² Service provided by the SBCS Mass Spectrometry Laboratory
³ A labor charge of £45.00/hr will be added to all services provided to external academic institutions.
⁴ Labour will be charged hourly for preparation of samples, analytical method optimisation, sequence set up, data analysis and compilation of report. Use of the instrument will be charged only for the time the instrument is in use. Minimum charge will be 1 hour, and time will be rounded up to a full hour.
