

## HDMS Service Request Form

---

Date	Budget Code
Name	Sample ID
Email	Department

---

### Sample Information

Sample Type	Molecular Formula	
Type of Analysis	Monoisotopic Mass	
ESI Mode	Average Mass	
Sample hazard	Weight or Volume	
Precautions	Concentration	Units
	Suitable Solvents	%
	<input type="checkbox"/> Retain sample after analysis	

---

### NOTES

Import your compound's structure in .tiff format in the 'structure' space below

If submitting a peptide or a protein for sequence validation and/or intact mass, please provide a sequence

Submit one form for each compound to be analysed

### Special instructions

e.g. sample in freezer, thermally unstable, light sensitive, etc.

Structure (TIFF image)
