EAL3672	English in Social settings 2	Semester 2	10 weeks (2hrsx10wks)	Alan Hart a.g.hart@qmul.ac.uk	None
Aims	To further progress from the basic groundwork identified in English in Social Settings 1 towards more sophisticated contextualisation of language skills.				
Outline	<p>The syllabus continues to reflect the student needs identified in semester 1 as well as input from students who join in this second semester. This may include:</p> <ul style="list-style-type: none"> • Emphasis on the use of communication strategies in oral and possibly written texts. Such texts are likely to differ from group to group. • More challenging discussion activities concerning the public, occupational, educational and private language domains based on a wide range of reading, audio and visual texts including film. • Grammar practice and input as appropriate both initiated by the teacher and the student. • Development of phonological competence. 				
Outcomes	<p>By the end of the module you should have:</p> <ul style="list-style-type: none"> • Extended your range of competences and knowledge of English. • Recognised the skills you wish to continue to develop and acquired strategies for developing them. • Had further opportunity to practise and receive feedback on your ability to speak and understand English. • Explored the aesthetic use of English. • Developed and applied strategies for the continued improvement of your English.
