IFP HSS Pathways

The programme provides a foundation pathway to any degree offered within the faculty of Humanities and Social Sciences at QMUL, as well as to BSc Global Health, offered by the School of Medicine and Dentistry.

Each pathway consists of the core modules English Language and Study Skills and Independent Study Project and three subject modules. The table below show which subjects are COMPULSORY and which are OPTIONAL for each pathway:

C = compulsory subject, O = optional subject, X = subject not available on pathway

*Economics and Maths + Statistics for Economics can only be taken as a pair

**Modern languages are only available at beginner level; you can choose between French, Spanish, or Japanese. Modern language modules are not available on the January-start IFP.

*Global Health applicants without the equivalent of a 6 in GCSE Maths should take Economics, Maths + Statistics for Economics, and EITHER Human Geography OR Politics and International Relations
