Mile End

Autumn/Winter 2026

WELCOME

Food, drinks, and service are the key elements for a successful event.
At QM Hospitality, we are experts in delivering memorable events and experiences.

We can deliver hospitality across all of our London campuses, from refreshment breaks to multi-day conferences, private dining, weddings, cocktail receptions and BBQs.

We take inspiration from international food trends and industry developments, whilst maintaining our focus on good quality, fresh, sustainable and honest food.

Allergen Information: For peace of mind, do contact our team on qmhospitality@qmul.ac.uk if you'd like more information on any of our ingredients and recipes in our menus. Please note, whilst we endeavour to accommodate dietary requirements and allergies, we are unable to guarantee that we can meet all requests.

Our food production operations use all of the 14 common allergens, we therefore cannot guarantee trace particles of these allergens aren't in other foods. If you or your guest's allergy is severe, please make contact with us prior to booking and we will ascertain if we can accommodate your order safely.

Hospitality food orders for 50+ guests include a member of the team to serve for up to 90 minutes. Further staffing requirements should be booked in advance; additional charges will apply on an hourly basis for the total hours required (please note this is not applicable to sandwich lunches).

Catering food orders for less than 50 guests will not be serviced as standard. If service is required, additional charges will apply. This excludes Seated Dinners, Canape Receptions and Hot Fork Buffets. Please contact us at qmhospitality@qmul.ac.uk if you have any questions regarding this.

It is the booker's responsibility to ensure adequate furniture is set up in your venue. If no permanent furniture is available in your chosen space, this should be booked in with the Porters through the Service Now booking system.

Our standard operating hours are 8:00am - 6:00pm, Monday to Friday, at Mile End and Whitechapel campuses, and 8:30am - 6:00pm, Monday to Friday, at all other sites. Events requiring services outside these hours may incur additional charges, particularly where extended hours create additional costs, such as taxi fares for late finishes. Any additional charges will be discussed and quoted with the organiser in advance.

Minimum spend per campus are as follows:

Mile End - £25.00 per order

Dept W and Whitechapel - £37.50 per order

Robin Brook Centre, Charterhouse Square, Lincoln's Inn or any other campus - £75.00 per order plus £9.00 per day Congestion Charge contribution

This minimum spend is to cover staffing driver and staffing costs. If you have any questions, please contact us on qmhospitality@qmul.ac.uk. All food calorie information listed is per 100g.

GREEN MARY LOW WASTE MENU

To minimise food waste, we make the most of every part of our fruits and vegetables. This approach allows us to send less to compost or landfill while creating delicious, thoughtful dishes.

For these menus, we partner exclusively with a supplier who rescues 'wonky' produce; perfectly good fruits and vegetables that might otherwise be discarded for not meeting cosmetic standards. Each dish is inspired by the seasons and crafted with creativity and care.

Our chef's choice menus are available for vegetarian, vegan, and gluten-free diets.
