RAPID™-1 DFU
Diabetic Foot
Ulcer Trial
.....

.....
**Do you have a chronic
Diabetic Foot Ulcer?**
.....

Has it been present for more than 12 weeks?

If so, you may be eligible to join a randomised controlled trial that will include the addition of the new treatment called the **RAPID™ Biodynamic Haematogel Dressing** as well as your usual standard of care.

If you would like more information about this clinical study, please speak to your podiatrist or vascular surgeon.
